| 1. The Bid Opening date for the above referenced IFB has been extended from Friday, January 29, 2010 until Thursday, February 18 at 1:00PM | | | | | | | |
| 2. The following clause is also being added to Section C.3 of the Solicitation: Prices quoted shall include fees for tolls, parking, and operator expenses. These trips will be to and from the point of pick-up. Where the unit "Round Trip" is stated, it is considered to be a round trip, and the bidder shall quote trip rates. Where the unit "Per Hour" is stated; the bidder shall quote per hour rate. Trips where passengers are dropped off and picked up at a later date shall be considered round trips. The cost of the return trip shall be included in the round trip price. Historical data for this type of service shows that the maximum time for a one-way trip in the Washington Metropolitan area does not exceed two and a half hours (2 1/2) (taking the most adverse weather conditions and traffic congestion into consideration). Thus, the the total time for a round trip does not exceed five (5) hours. The District will notify the contractor in advance and provide the date, time and locations of the depature and return trip. | | | | | | | |
